

Uncle Markie's Covid-19

How You Feeling Wheel

Anger:

- A strong feeling of annoyance, displeasure, or hostility.

Resignation:

- The acceptance of something undesirable but inevitable.

Fatigue:

- Extreme tiredness resulting from mental or physical exertion or illness.

Ennui:

- A feeling of utter weariness and discontent resulting from satiety or lack of interest; boredom.

Weltschmerz:

- German. Sadness or melancholy at the evils of the world; world-weariness. Word origin, literally: world pain.

Rebellion:

- The action or process of resisting authority, control, or convention.
